CHAMPAGNE

CANARD DUCHENE:

It's started with the love of Victor Canard and Leonie Duchene, in 1868 they created the eponymous Maison Canard-Duchene in the heart of the montagne de Reims

Canard-Duchene's unique identity stems from the character and elegance of pinot noir, it brings structure to the wine, enhancing fruity notes of cherry, blackberry, redcurrant, strawberry and raspberry, despite its intense purple skin, pinot noir produce a clear must, creating a clear juice from the freshly pressed grapes containing seeds, skin and solid matters.
